ETERNAL ELEGANCE LOOK BOOK

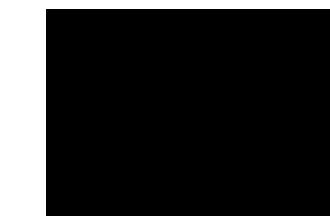

PORTFOLIO

INTRODUCTION

Fashion is more than clothing—it is history woven into fabric, culture stitched into every seam. This portfolio is an exploration of the elegance, symbolism and craftsmanship of ancient Egyptian attire, reimagined for the contemporary world. Inspired by the richness of pharaonic design, the collection honors traditional colors, motifs and textures while seamlessly blending influences from Greek, Roman and African aesthetics.

COLOURS

This collection reawakens the grandeur of ancient Egyptian colours bathed with deep symbolism

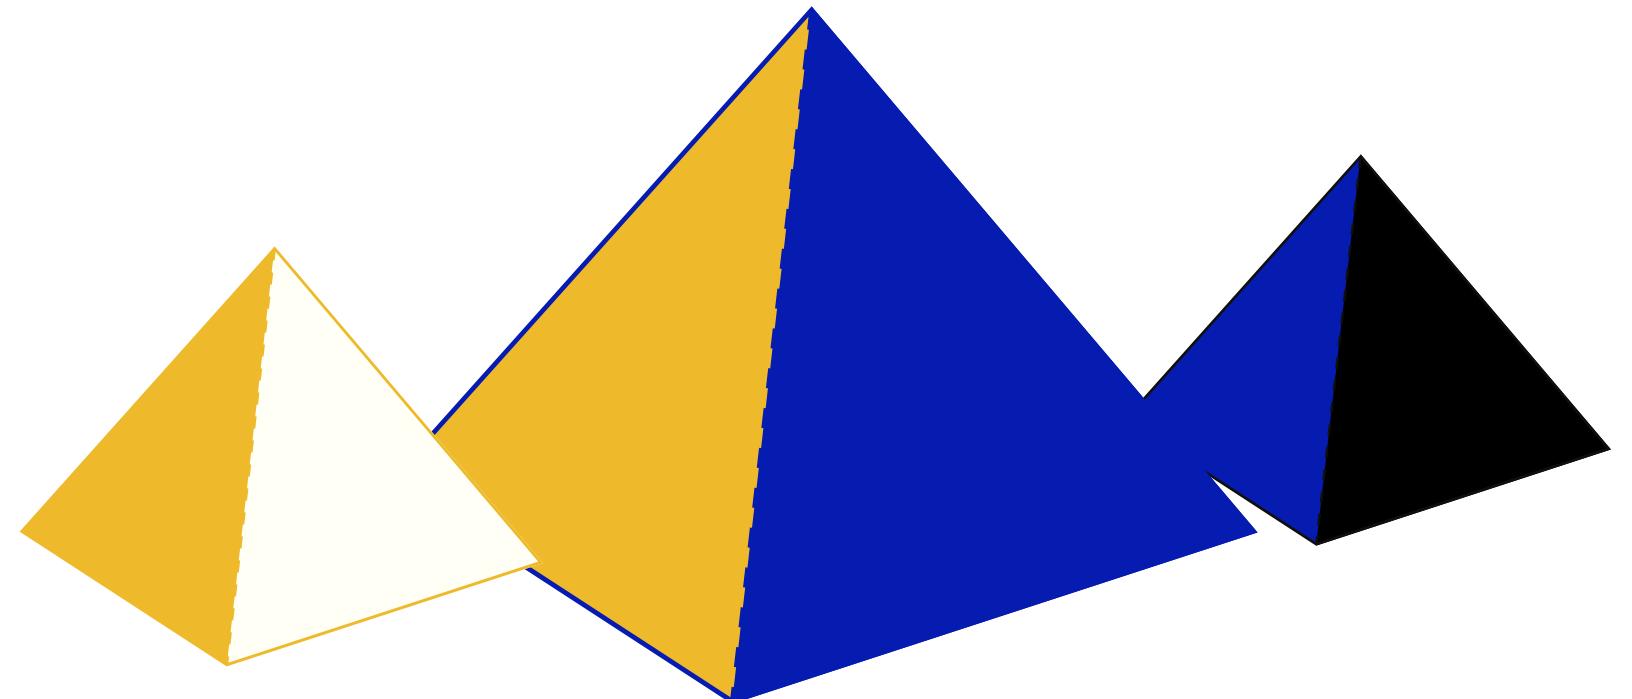

Black- symbolized fertile black silt of the Nile and Afterlife

White- purity, simplicity, joy, wisdom and light.

Gold- Lavishness, wealth, divinity and royalty

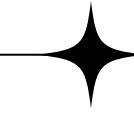

Turquoise and Deep Blue- represented the Nile.

Lapis Lazuli Blue- inspired by precious stone used in ancient jewelry
