About Me

I am a sustainability driven user centric designer passionate about making the world a better place through design. Through research and design thinking methodologies, I create innovative solutions and utilize visual storytelling to drive environmental and social impact.

SKILLS

- Fashion Design: Expert in creating and conceptualizing fashion collections, with a focus on sustainability.
- Graphic Design: Proficient in using Adobe Creative Suite (Illustrator, Photoshop, InDesign) for visual design and layout.
- UX/UI Design: Knowledgeable in user experience principles and wireframing from virtual UX design program.
- Sustainability: Strong understanding of sustainable design practices and environmental impact reduction in fashion and design.
- Marketing: Insights into design-related marketing strategies and consumer behavior.
- Communication: Effective written and verbal communication, with experience presenting design concepts and ideas.

EXPERIENCE

- Photography Exhibition Organizer & Photographer
Self-Initiated | 2024
- Residents Representative
Qwetu Student Residences Parklands | 2022-2023
